

Paella on the Patio

It's your ticket to the flavorful paellas of Spain every Tuesday night!

Dine Spanish-style, under the stars, and begin your journey through a myriad of sumptuous regional paellas. We'll be cooking up our paella on the patio right in front of your eyes in traditional paella pans so that a crispy rice shell, the most prized part of paella, forms on the bottom of the pan.

The menu will change regularly and includes an appetizer, salad, and your choice of paella. Spanish wines and sparkling White Sangria are available by the glass.
